

VIDEO INSTRUCTION

**ARE YOU TOO FAR TO ATTEND A LESSON?
RECIIVE INSTRUCTION IN THE COMFORT OF YOUR OWN HOME**

Video Lesson-

Send a 30 minute VHS or DVD of you and your horse in either a mounted or unmounted session. Include information such as goals, experience of rider/horse combo, illness/lameness issues, etc. You will receive a personalized CD with one hour of instruction focusing on your specific ride or unmounted session displayed in the video. If you are riding in your video please wear light colored clothing. At the beginning of your video please clearly state your name, your horse's name and your location. Price \$120

Evaluation and Assessment-

Send a 30 minute VHS or DVD of you and your horse in either a mounted or unmounted session. Include information such as goals, experience of rider/horse combo, illness/lameness issues, etc. You will receive a 30 minute consultation of suggestions, positive critique and ideas to help achieve future goals. If you are riding in your video please wear light colored clothing. At the beginning of your video please clearly state your name, your horse's name and your location. Price \$120
